Entries

Open forthwith. Limit 50 riders

Entry fee: **£15 in advance. Closing date Weds 7th Nov. Entries received after this date or on the day £20. Plus** Club membership if not a current paid member: **£5. Plus** ACU Trials Affiliation if you don't have a licence **£10** (This will last up to the end of the year.)

NOTE The requirement to have a current ACU affiliation card on the day still stands but you may complete the forms on the day. Please read the website for details. **It is important that the event organisers know if you are going to choose this option. Just call or email. We will not be able to deal with any unannounced applications.**

A list of confirmed entrants will be posted on the club website to confirm your entry. If this is not suitable please enclose an A5 SAE with your entry.

Classes

Open, Trail, Trial, Pre 65, Ladies.

Please consider which class you wish your bike to be entered in. E.g. if entered as a trials bike for this event it cannot then be considered as a trail bike in other events e.g. the Wyegate. Capacity sub divisions may apply according to entry numbers.

Exhausts and tyres.

Please ensure bikes are in good condition and not too noisy. 4 Stoke motocross spec bikes may well be rejected if their silencers are not in good condition. There is no tyre restriction

You must ride the 2 (or more) trials sections where marks lost will be scored as seconds. There will be at least 4 timed uphill sections/tests of approximately 200m length which must be attempted 4 times each(according to conditions). Riding outside the markers or failing to complete a test will collect a bogey score. Times and penalties will be added together and the lowest score will be the winner.

All supplementary Regs and other information will be posted on the club website.

Stump Wood hill climb information

Please read this even if you have entered before as some things have changed.

Please read the regulations and complete entry form properly! It saves us so much hassle on the day.

We have reduced the cost of an advance entry this year to encourage people to get off their backsides and to allow us to plan things in advance. Food etc. You are welcome to pay the late entry premium but it would be so much more helpful and considerate to the signing on officials if you could **bring a completed entry form with you.!**

If you do not have an ACU licence or trials affiliation you can complete the forms and make the payment to us on the day but only if we know you are coming! Otherwise no current ACU card = no ride.

The venue can become rather slippery if we have much rain but we will still run the event unless the landowner prefers otherwise. Generally the course is technically fairly easy to ride and on a dry day would be rideable by machines with dual purpose tyres. On a wet day.....hmmmmm.

It is important that, unless you are told other wise, you complete the sections in order. Some people have in the past done each one 4 times before moving on. This doesn't really make the observers job any easier.

If you pack in please sign off and if possible let as many observers as you can know so that they are not waiting around for you at the end.

We may decide to sub-divide classes if there are sufficient numbers or a big variation in ability levels. The decision will be taken on the day

Food and drinks will be available.

Please have a look at the club website for reports on previous events.
