### **Entries**

Entry fee: **Entries recieved by Weds 11<sup>th</sup> July- £10. Entries recieved after that date or on the day £15 .**

**You may also need:** Club membership if not a current paid member: **£5. Plus** ACU Trials Affiliation if you don't have a licence **£10** (This will last up to the end of the year.) If you want to enter on the day please bring a **completed** entry form with you so that we do not have long queues at signing on. We will not have the manpower to deal with this. A list of confirmed entrants will be posted on the club website to confirm your entry. This will be finally updated on the evening of Weds 10th. If this is not suitable please enclose an A5 SAE with your entry.

**NOTE** The requirement to have a current ACU affiliation card on the day still stands but you may complete the forms on the day. Please read the website for details. **If you wish to take this option please down load a trials affiliation form from the ACU website and bring it, completed, on the day.**

### **Classes**

Enduro, Trail, Novice Trial, Pre 65, Ladies. Novice school boys. (Trail bikes over 475cc may enter as enduro bikes.)

Please consider which class you wish your bike to be entered in. E.g. if entered as a trials bike for this event it cannot then be considered as a trail bike in other events e.g. the Wyeigate. Capacity sub divisions may apply according to entry numbers.

### **Exhausts**

Noisy enduro bikes can stay at home!

### **Tyres**

**Pre 65** and **Trials** bikes to have ACU spec trials tyres.

### **Event format and The course.**

The course will suit novice riders. Additional sections/variations will be added to test the more able trail bike rider.

The lap will be between 8 and 10 section to be completed 3 or 4 times depending on weather conditions. There may be 1 or more timed special tests. Sections will be suitable for the classes entered. This is not an event suitable for expert or clubman level riders on trials bikes. You will "clean" the event and be laughed at! If you want to ride then bring a trail bike and show us how to do it on a real bike.
